A Very Special, Sincere and  
Heartfelt Thanks to

# **Tom Kretsch**

**Norwalk/Nagarote Sister City Project's President, Tom Kretsch, has created this Cabaret Night event for six consecutive years almost single handedly. His creativity, his love of music as well as his deep commitment to the children of Nagarote have combined to make this a very special and very rewarding event.**

**We are also deeply grateful to Tom for his leadership as president since June of 2011 and for his amazing photos of Nagarote and its beautiful children. He and Sandy have been exceedingly generous. This Thanksgiving we will once again count Tom and Sandy Kretsch among our many blessings.**
